

2018 SLCC SENIOR MEN'S GOLF LEAGUE

Welcome to another year of great golf! The Senior Men's league is for SLCC members 55 years old and older. Our goals are to have fun, play golf as long as possible, bring extra value to your SLCC membership and to support our golf course.

We play on Tuesday mornings and will target May 1st as the official start of our season. Of course living in Minne-snow-ta, that date may slip. I will post up dates in the club house and of course our club manager will be up to date on any changes.

As most of you know, our beloved past President Don Loeb passed away last fall. We will be exploring ways that we can honor his memory while also supporting the club. If you have any ideas please share those with me. I would also like thank Connie Mangseth for keeping us up and running during Don's illness.

The following members have volunteered to assist for 2018.

President's assistant Jim Bruns
Annual Club Championship; Jack Ostrander
Computer Scores and Handicaps; Jim Bruns, John Benson & Ray Jensen
Hole Games, Team Set Up; Dave Carls, Ken Zezel
On Course Events;, Glenn Harle, Bill Juntunen
Morning Coffee and Rolls; Dick Frider, Ron Barboconi, B. Bussey
Sugarbrook; Len Tylla
Traveling Tournaments; Roger Nick & Joel Belehar

Finally, please help me get to know all of you. I have only been active at the club for a few years and have always had difficulty putting faces with names.

Hit 'em long, hit 'em straight, and keep this guy in the back of your minds when you are faced with your 4th putt!

Thanks, John Benson 602-432-2598
